ABOUT US

Gauteng Mouldings was established in 1996 and has grown from strength to strength over the last 20 years. The Gauteng Mouldings showroom is situated in Kya Sands Gauteng providing a comprehensive range of decorative mouldings including designer skirting, architraves, dado rails, timber cornices/scotias, beadings, flooring and door components. Gauteng Mouldings carpentry department manufactures custom made superior quality timber balustrades, window sills, doors, and frames. All products are manufactured using handpicked pine, meranti, supawood and an exquisite range of exotic timbers. Gauteng Mouldings' strict policy of buying timber from audited commercial timber mills ensures preservation of the natural rain forests. Only kiln-dried timber is used ensuring a stable and top quality product.

Gauteng Mouldings strives to offer our clients a quality product at the very best price.

Gauteng Mouldings designs are refreshingly different, offering an extensive selection that creates a stylish approach to the art of fine living.

Gauteng Mouldings offers professional and individual customer advice as well as superior service and prompt delivery.

We will cater to your own preference and specifications with our state-of-the-art machinery. The consistent quality of workmanship and the precision taken provides products of creativity and aesthetic splendour.

Today many leading companies in the building and interior design industry, where the highest level of quality is required make use of our services.

We are proud of our comprehensive range and boast one of the largest ranges of mouldings in South Africa.

Our products are offered with pride and confidence.

We are proud to have supplied some of the following prestige developments to name a few, The Polana Hotel in Mozambique, Johannesburg Library, Union Buildings, Saxon Hotel and Mr Nelson Mandela's House.

We offer a measuring service on new developments for doors, frames ,skirting etc and can quote off a plan/ door schedules. We also have an Econo range available. Our Products are Quality Assured. Enquire on exports of our products.
